Dear Sir / Madam

A27 Worthing and Lancing improvements

We will be holding a public consultation about the A27 Worthing and Lancing improvements scheme between Wednesday 19 July and Tuesday 12 September 2017.

In line with the Government's 2015 Road Investment Strategy, Highways England has committed to improve the A27 between Worthing and Lancing. The scheme aims to improve traffic flow, journey times, safety and accessibility, boost local economic growth and minimise the impact on the environment.

We are writing to you as we are interested to hear what local groups, organisations and businesses in the area think about our proposals. From 19 July onwards there will be consultation materials on our website www.highways.gov.uk/a27Worthing-and-Lancing which you may wish to share amongst your networks.

All responses to the public consultation will be considered by our project team. The closing date for responses is **11.59pm on 12 September 2017**. A report on the public consultation will be produced later this year.

There are several ways to have your say:
